### LOVING

#### **PEOPLE DASHBOARD:**

All Clergy should have received an email giving you the date and time that you are to meet with Paul Wilcox, your District Superintendent for your Professional Interview. You as clergy will need to sign into your people dashboard to complete the forms needed 1 week prior to your scheduled interview time.

**No exceptions!** *Not many have signed into their People Dashboards yet, so don't put this off, get it done now.* Contact the NE District Office at the phone number listed above if you can not find this email with your date and time. These are your Mandatory Professional Interviews.

#### **CHURCH DASHBOARD:**

Charge conference times are coming up – once we have the places set, we will be notifying all churches of your date and time. These forms will be up and ready hopefully this week. They will be on your “Church Dashboard” ONLY! They will need to be completed one (1) week prior to your charge conference date.

#### **FORM I:**

This form has been updated and we will have a link to this on the NE District Web page by the end of this week. This form is only 1 page and must have all fields filled out correctly for the formulas to work. Instructions will be on the NE District Web page along with the new Form I by then end of this week.
